SPECIAL ANNOUNCEMENTS!!!!

SANCTUARY RENOVATION

Our sanctuary is getting a make over. Because of the water damage to our ceiling and walls caused by storm damage to our old roof, we are repainting the sanctuary. Since the carpet is over 16 years old, it was decided that it should also be replaced at this time. Additionally, we will be installing sun blocking shades in the windows by the organ and music team to help with video projection.

Painting will begin on January 23rd, and we will be back in the sanctuary on Sunday, February 5th. There will, however, be some adjustments in our church life and schedule over those two weeks. Most exciting for us will be a joint worship service with Mosaic UMC on January 29th. More information about this service is on the other side of this newsletter.

What do we need from you?

First off, prayers for the safety of those who will be doing the renovation work. **Secondly**, we will need help moving chairs and equipment out of the sanctuary after the 11:00 service on January 22nd. We will also need people to help move everything back in before February 5th. If you would be willing to help, please put your name, phone number and e-mail address on the volunteer sign-up sheet in the narthex. **Lastly**, please plan on attending the joint worship service on Sunday, January 29th, at Mosaic UMC. It will be a wonderful opportunity to show our community how members of different denominations can worship and work together in the spirit of Christian Unity. See the reverse side for more details.

JOINT WORSHIP **CHRIST THE KING LUTHERAN CHURCH AND MOSAIC**

Since we will not be able to use our sanctuary on January 29th because of renovations, we will be worshipping and fellowshiping with Mosaic United Methodist Church that Sunday. Pastor Dave will be preaching, and Rev. Carolyn Moore will be leading worship. Christ the King will be providing a meal after the service. We have developed a wonderful relationship with the good people of Mosaic over the years, and we hope that everyone will make the effort to attend this day of worship, service and fellowship. It promises to be Spirit filled, joyful, rewarding and FUN!
